The satisfaction that we feel at the successful completion of the project work titled “**Intensity Care Of Mother and Kids**” would be incomplete if we don’t mention all the people, whose able guidance and encouragement made success a reality for this project work.

It is a great pleasure to express our gratitude and respect to all those who inspired and helped us in completion of this project.

We take this opportunity to express our sincere gratitude to Prof. **Dr. Y Sharma** our Head of the department of computer Science for providing us with a well-equipped lab and all necessary facilities.

We express our heartfelt gratitude to prof. **Mr. Mohd Yameen Sir, Mr. P. Bhaskar, Mr. Naveen Ojha, and Mr. A Agrawal** for being a source of inspiration and encouragement.

Last but not the least I thank my friends who lead us a helping hand and gave us the moral support we needed.
